

工事内容(イメージ)

This aerial photograph shows the DLR test facility. Three red boxes with white text labels and red arrows point to specific areas: 'エプロン' (Apron) points to a paved area near the terminal; '滑走路' (Runway) points to a long, straight paved strip; and '誘導路' (Taxiway) points to a paved path connecting the apron and runway. The facility is surrounded by green hills and a river.
